

Please see to the left 2 maps showing the location of our new school at Haydon School in Eastcote,

Both Car parks will lead to our entrance, and there is a pedestrian entrance for those on foot/public transport...about a 5 minute walk from the tube and bus stops.

There will be signs directing you to the entrances and people will be on hand to show you to the correct entrance.

From Northolt, take the 282 to Colchester Road. From south harrow, an H12 to granville place and then an H13 to Colchester Road.

All students living in and around Ruislip will know how to get to us but any problems please let me know.
